

## INOVA+ HOSTS THE 1ST PROJECT MEETING APRIL 2016

INOVA+ hosted the kick-off meeting of the Junior Code Academy (Matosinhos, Portugal). This event enabled to fine-tune the methodology and define the next project's activities. The main mission of the project is to reinforce the youngsters' coding skills and encouraging them to take an active and responsible role when interacting with new technologies.

## JUNIOR CODE ACADEMY IS ONLINE MAY 2016

WELCOME TO CODE ACADEMY PROJECT!

The official page of the Junior Code Academy is already online. Explore it and access all relevant information about the project.

Check it out at [www.juniorcodeacademy.eu](http://www.juniorcodeacademy.eu) or follow us on Facebook!
