

WEBINAR WITH ITALIAN TEACHERS RUNS SMOOTHLY – NOVEMBER 2016

Carried out in Nov 2016, the webinar was aimed at supporting teachers in the use of Scratch and App Inventor to facilitate the future implementation of the curricula guide in the Italian schools. Teachers were happy with the results of the webinar and ready for the next phase of the project, which will follow the pilot implementation in Portugal.

DATABASE OF RESOURCES IS NOW AVAILABLE – DECEMBER 2016

The project partners gathered and summarized a set of useful resources that are already available in several countries. Brief descriptions of these resources and relevant links that can help you find additional information are compiled in our database.
